DEVELOPMENT FINANCING CONFERENCE TO BE HELD IN MANILA

The Association of Development Financing Institutions in Asia and the Pacific (ADFIAP), one of the foremost organizations engaged in the development financing in the region, has partnered with the Asia Pacific Association for Fiduciary Studies (APAFS) for the upcoming 9th Annual Pacific Region Investment Conference (PRIC) to be held in Manila.

Both organizations share the common mission to continually strengthen the finance function of its members while advocating development and responsible stewardship in the Asia Pacific region.

"ADFIAP works for its members and their welfare. As part of attaining constant growth and improvement, we enhance our relationship with like-minded institutions such as APAFS and collaborate with them to provide further valuable knowledge and learning," says Octavio Peralta, Secretary General of ADFIAP.

The Annual PRIC is the only education-forum conference concentrating on the Asia Pacific region. Not only does it bring more than 350 delegations from all over the region, but it also taps world-class experts to shed light on current issues to complement regional understanding.

"We organize the PRIC each year because we foresee that Asia will be the area of growth in the future. We are working to continually equip the region and build its professional accountability as markets mature," says Daniel Roland, CIMA, Executive Director of APAFS.

The PRIC is set to be held on October 8 and 9 at Renaissance Makati City Hotel Manila. To learn more about APAFS and the upcoming PRIC, log on to www.apafs.org.
