## Continuing education a must for finance professionals

June 14, 2009 by Content Keyword RSS copy · Leave a Comment

"THE last 18 months has been very challenging," admitted Jason Miyashita, deputy executive director of the Asia Pacific Association for Fiduciary Studies (APAFS), a nonprofit educational association for prudent fund stewardship. Indeed, the global financial crisis caught a lot of people off guard, fund managers included. This is probably the reason why a lot of finance professionals are all the more looking forward to the 9th Annual Pacific Region Investment Conference (PRIC) to be held on Oct

## GetEducated.com Is An Excellent Resource For Continuing Your College Education Online

March 18, 2009 by Wealth Review · Leave a Comment

I have been very blessed to have an employer who regards education very highly. After receiving a Bachelors Degree, I was able to receive two Masters Degrees, one in a traditional brick and mortar institution and the other online. Each means of education has their benefits depending on the amount of time you have available and other commitments. For many people, a traditional nine to five university education will not fit into their lifestyles or careers later in life. For those individuals,
